

*I WORKED TODAY...
I WORKED LAST NIGHT...
AND I'LL WORK TOMORROW...*

*Every morning I wake
I wipe away the sorrow
pry the lids open
and hope its tomorrow
for its just another day
to deal with the shit
so hurry
hose me down quick
before I hit the can
I need enough time
to eat, think, and do my thing
before the fit hits the shan*

*As I drive, I pass myself in every car
each one of us, driving mindlessly,
just a little too far
arriving in the nick of time
to punch the clock
and hand over the mind*

*Master callin' for you to do the chores
maybe you'll get a break
before he makes you do more
concentrate on the hands
that rotate around
for it won't be long
before you're homeward bound*

IMPORTANT

power is the rush that you quest
nothing else will ever do
nothing else tempts you like this
its all you ever knew

**JUST WHO THE HELL DO YOU THINK YOU ARE
DO YOU THINK YOU'RE THE WORLD
ACTING LIKE A HOLLYWOOD ROCK STAR
TRYING DESPERATELY TO IMPRESS THE GIRLS**

IMPORTANT

are you feeling a little important
like you made a difference
whatever you do, its always sportin
but your number is not in demand

**GRANDIOSE
ARE YOU FEELING A LITTLE IMPORTANT?
GRANDIOSE
DO YOU FEEL IMPORTANT?**

IMPORTANT

don't stop now, you've gone too far
finish making the bed
the problems you're planting
are about to start growing
pull the covers back and climb in

**JUST WHO THE HELL DO YOU THINK YOU ARE
DO YOU THINK YOU'RE SOMETHING SPECIAL
TO BE WORSHIPPED BY THE MASSES
AND LIVE ON THE TOP IN A BIG CASTLE**

are you feeling a little important
just because someone knows your name
don't speak now you'll only ruin it
never let them see the man behind the fame

**GRANDIOSE
ARE YOU FEELING A LITTLE IMPORTANT?
GRANDIOSE
DO YOU FEEL IMPORTANT?**

IMPORTANT

fame and fortune is your religion
money and greed are the symbols you wear
nothing matters except for you
and you think anyone cares

**JUST WHO THE HELL DO YOU THINK YOU ARE
DO YOU THINK YOU'RE PERFECT
WALKING ON THE GROUND LIKE IT WAS WATER
WHEN YOU KNOW YOU'LL NEVER BE WORTH IT**
