

*Do you wanna be God for a while?
Take control of the human race.
Play a power trip and pretend.
Come back down to earth from space.*

*You'll never know the answers,
but all of the questions.
Don't tug on the strings too hard.
You may fall even though you're destined.*

*Forever till death do you part
and when you part it won't be pretty.
With red and yellow lights.
Sirens screaming the last moments of your life.
You're escorted through the city.*

*Wanna play God?
Be a savior to your soul.
Explain life to yourself
before you grow too old.
Helpless in and helpless out.
Did you learn anything or was it lost?
Time steals the stories
and plants the memories.
Don't worry. It's not your fault.*

*So you think you can be God?
Create a life and destroy a few.
Justify it all because of who you are.
Make the world fear you.*

*Hide behind stories and tales.
Confuse us all of what to think.
Create wars and plagues for your enjoyment.
Make the human race extinct.*

*Only you can control your life
and no one can tell you different.
You are the GOD of your own world
and this is permanent.*

**What do you do when they come for you
Where do you hide when they kick in the door
What do you say to the interrogation
How do you plead to the insanity**

**How does IT feel TO RUN the show
always remember, NEVER FORGET tomorrow
if you're not guilty, you still will go
to erase someone's mistake before it shows**

**WHAT WILL YOUR TOMBSTONE READ
WHEN THEY PUT YOU IN THE GROUND
WILL IT EXPLAIN WHAT YOU HAVE DONE
AND ALL THE PEOPLE YOU TOOK DOWN**

**WILL THEY FORGIVE YOU IN HEAVEN AND HELL
OR WHEREVER YOU END UP AFTER THE ORDEAL
TOMORROW WILL HAPPEN JUST AS PLANNED
WITH THE SAME OUTCOME IN THE END**

**LAY BACK AND RELAX IN YOUR GRAVE
FOR YOU NEVER STOOD UP FOR WHAT YOU BELIEVE
SO NOW YOU REST IN PEACE SO IT WOULD SEEM
TO ANY ORDINARY PERSON LIKE ME**

**RUN, HIDE
NEVER SURRENDER
NEVER GIVE IN TO THEIR INTENTION
SEEK, SEEK AND DESTROY
ALWAYS REMEMBER
TODAYS DONE BUT THERE'S TOMORROW**

**SEE, FEEL
THE LAUGHTER AROUND YOU
WHEN YOU REALIZE YOU ARE OUR CLOWN
PICK, PICK AND CHOOSE
ALWAYS REMEMBER
THOSE FACES THAT BROUGHT YOU DOWN**
