

SILENCE TRIES MY PATIENCE
NOISE CORRUPTS MY MIND
SELF-ESTEEM DAMAGED BY DURATION
SINCE WE HEARD THE LIES

PERSISTENCE INCREASES
MY TOLERANCE DISAPPEARS
MOTIVATION FALLS TO PIECES
ANTICIPATION DISAPPOINTS WITH TEARS

STILL...I WAIT FOR YOU

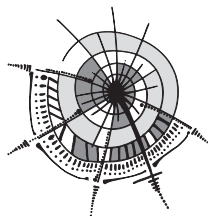

INSANITY COPS A PLEA
DEVASTATION BEGINS TO ERUPT
THE WORLD BECOMES MY ENEMY
EVERYTHING SEEMS TO BE MY FAULT

OUR LOVE HIT A HINDRANCE
A BUMP IN OUR SANITY
WE NEVER GAINED CONTROL
JUST DRIFTED AWAY
OUR DREAMS TOGETHER WOULD NEVER BE

BUT STILL...I WAIT FOR YOU

THE REASON WHY IS STILL NOT CLEAR
ONCE IT WAS FOR ADORATION
SOMETIMES FOR CONTROL OF THIS ISOLATED FEAR
NOW I THINK IT'S SIMPLY DETESTATION

IMMOBILIZED BY DEVOTION
YOUR INFATUATION BEGINS TO GROW
SET ADRIFT ACROSS THE OCEAN
THE OUTCOME OF OUR LIVES
WILL NEVER BE KNOWN

summer came and summer went
fall begins to give us hints
who's to blame when the season's change

cry and laugh with your tears
scream and shout out all your fears
cast those dark shadows far away

so hold me close and say again
that you will always be my friend
no matter what has been said

to me our love will never die
till the end it will survive
as I hold out, while you fade away

winter spills it's freezing chill
the bed we made is empty still
no one's to blame when the season's change

The whistle's blown on your little game
you got nothing new, your life never changed
it only cost two in return

you sit alone and wonder why
spilling your dreams from your eyes
trying to remember what you lost

time will tell the story's end
but you and me will never be friend
we're the ones to blame when the season's change

who's to blame when the seasons change
when the seasons change, who's to blame
was it you or was it me
was it both of us, i believe
we're the ones to blame, when the season's change
