

Whether It Be Cruel  
 Whether It Was Nice  
 Whether You Were Wrong  
 Or Whether I Was Right  
 I Don't Really Care  
 I Try Not To Pretend  
 How You Treated Me Bad  
 How Could I Ever Forget  
 I Do Not Understand  
 But I Do Not Deny  
 I Sit Here Speechless

**IT'S EVERYTHING YOU DO  
 AND EVERYTHING YOU DO  
 CAUSE IT'S EVERYTHING YOU DO  
 WHEN IT'S EVERYTHING YOU DO**

Whether We Try To Fix It  
 Whether We Even Know How  
 Whether The Fire Still Smolders  
 It's Still Over Now  
 Was It Even Worth It  
 It's All In The Past  
 You Said It Was Forever  
 You Said It Would Last  
 I Do Not Understand  
 But I Do Not Deny

WHEN IT'S EVERYTHING YOU DO

Chances will tell the future of our lives.  
 We try too hard only to be deprived.  
 Of the feelings we keep locked inside.  
 Forced to forget.  
 Forced to hide.

You say you care, but it does not show.  
 I would tell you how much I love you,  
 but you still would never know.  
 Why did it end this way.  
 We had so much love,  
 but not enough hate.  
 I want it back the way it was  
 but i know it will never be  
 simply because...

Our lives have changed  
 but the page hasn't turned.  
 Which one of us continues to read?  
 Which one of us continues to see?  
 The truth that so many lies conceal.  
 The love that we hide.  
 The pain that we feel.  
 These feelings will always stay real.  
 simply because...
