

**IN THE MORNING...
I WONDER WHERE YOU'VE BEEN.
IN THE EVENING...
I WONDER WHERE YOU WENT
WHEN I'M LONELY...
THERE'S NO ONE BY MY SIDE
WHEN I'M CRAZY...
THERE'S NO WHERE TO HIDE**

**IN THE DAYTIME...
I CAN'T STOP THINKING HOW WE'RE THROUGH
IN THE NIGHT TIME...
I WON'T QUIT DREAMING ABOUT YOU
IN MY TIMES OF TROUBLE...
YOU WERE ALWAYS THERE AS A FRIEND
BUT NOW WHEN I NEED YOU
I KNOW YOU WILL NEVER BE THERE AGAIN ?**

**AND I WONDER WHERE YOU'RE GOING
AND I WONDER WHERE YOU'VE BEEN
AND I WONDER...
IF I'LL EVER SEE YOU AGAIN.
AND I WONDER ABOUT YOUR LIFE
AND I WONDER ABOUT YOUR PAST
AND I WONDER...
IF WE EVER HAD A CHANCE**

**DID WE EVER BELIEVE? DID WE EVER SEE? DID WE THINK IT WOULD BE
SO EASY? ALL OF THE TROUBLES. ALL OF THE PASTS. WILL NEVER GO
AWAY. ALL THE LYING. ALL THE CRYING. WILL NEVER EASE THE PAIN.
WHEREVER YOU'VE GONE. WHEREVER YOU'VE WENT. WHATEVER YOU
DO. HOWEVER YOU LIVE. I WILL WONDER UNTIL THE END.**

*somewhere it was, that I heard your name
nothing stopped, everything stayed the same
no one cared, except for me
because right here waiting for you,
I will always be*

*they'll tell you this and they'll tell you that
they tell you there's someone else
they'll tell you anything, you want to hear
they'll tell you it's love, that they felt*

*they will use you and throw you away
because that's,
the name of the game that they play
no one cares, except for me
because right here waiting for you,
I will always be*

*the situation, switches gear
as the truth, begins to appear
I strive ahead, but fall behind
that's the way it is, so let's rewind*

*to the days, that we like to remember
that started way back, in a month of September
no one cared, except for me
because, right here waiting for you,
I will always be*

*I was wrong, my ways have changed
our course split, we went our separate ways
and now I regret, everything I tried to say
do you regret walking away*
