

**ONLY YOU KNOW WHO I REALLY AM
THE ONLY ONE I TRULY CANNOT WITHSTAND
YOU ARE NOT LIKE THE REST, WHY CAN'T YOU SEE
BECAUSE YOU YOURSELF ARE ACTUALLY ME**

**YOU WERE MY FUTURE AND YOU WERE MY PAST
THERE IS NO REASON TO PUT YOU THROUGH THE TEST
EVERYONE MIGHT KNOW, BUT THEY CANNOT UNDERSTAND
BECAUSE ONLY YOU KNOW WHO I REALLY AM**

**YOU ARE THE ONE THAT CAN SEE RIGHT THROUGH ME
YOU QUESTION MY BELIEFS AND OFFER SOLUTIONS FREELY
ONLY YOU CAN COMPREHEND WHAT I WANT TO SAY
WANT I WANT TO BE AND THINK ABOUT EVERY DAY**

**ONLY YOU HAVE HEARD MY DEEPEST THOUGHTS
MY WORST EXPERIENCES, SECRET CONFESSIONS
AND WHEN I GOT CAUGHT
YOU HAVE THE POWER TO MAKE ME SEE
TO MAKE ME THINK, UNDERSTAND AND TO MAKE ME BELIEVE**

**NO ONE WILL EVER KNOW ME LIKE YOU DO
I WILL NEVER LET ANOTHER ONE BREAK THROUGH
THEY CAN TRY BUT THEY CAN'T UNDERSTAND
BECAUSE ONLY YOU KNOW WHO I REALLY AM**

**THE ONE WHO WATCHES MY BACK AND KEEPS ME IN CHECK
TO MAKE SURE I SURVIVE AND STAY FIT
NO MATTER HOW MANY FRIENDS COME AND GO
YOU'RE MY PRODUCER FOR EVERY SHOW**

**GETTING ME EVERYWHERE IN JUST ENOUGH TIME
FOREVER KEEPING ME IN THAT LEFT STATE OF MIND
ALWAYS THERE WHEN EVER I NEED
BY MY SIDE YOU STAND ENDLESSLY**

Religion is a topic that we don't like to push around and can discuss forever. It has been with us since the day we tried to explain our existence. If there is a god, why then is it worshipped in so many different ways? We are so puzzled about our creation, we created a creator capable of the task. How can we say there is a god when no proof exists? In mathematics we taught ourselves a problem without enough information is impossible to solve. There is a major cover up in the works, but without information it becomes only speculation. It's just hard to believe that so many people could be wrong or misled.
