

*Cast Aside All You Know
Toss Away What They Have Taught
Close Your Eyes And Let Yourself Go
Tomorrow's Fight Can Still Be Fought*

*Practice Hard Until You Get The Idea
Your Mind Will Understand
Its Up To You So Get With It
Education Will Beat The Man*

*Your Will Is Strong
Your Mind Is Wise
They Will Test You To The Limits
Believe In Yourself
Never Compromise
The Minute You Do It Was Worthless*

*Realize That The World Is Bad
And You Are Your Only Friend
I Didn't Appreciate What I Had
And I Never Knew It Would End*

T'WAS THE DAY BEFORE TOMORROW
NO LIFE WAS BEFORE ME
WAS MY EXISTENCE REALITY
OR JUST A STATE OF UNCONSCIOUSNESS
IN THE RELAPSE OF MY AWAKENING
I CAUGHT A GLIMPSE
OF THE WORLD UNDER ME
AND GAZED IN WONDER
OF THE BEAUTIFUL SIGHT
AS I FALL BACK ONTO MY CLOUD
WITH A LAUGH
AND ONE LAST THOUGHT TO MYSELF
SILLY MORTALS...
THEY'RE NOT PERFECT LIKE ME

WHAT CAN YOU SAY
GONE TOMORROW, HERE TODAY
WATCH THEM REPRODUCE
WATCH THEM PLAY
CORRUPT TO THE CORE
DISEASED AND PLAGUED
