

**DAY BY DAY  
I WALK THAT ROUTE  
KNOWING MY WAY INSIDE OUT  
NO MATTER AS BLACK AS NIGHT  
OR AS BRIGHT AS DAY  
FOR THE BACK OF MY HAND  
PLEADS NO CONTEST  
PUT ME AGAINST ANYONE  
I WILL PROVE I'M THE BEST**

**I TRAVEL ALONE**

**ONLY DREAMING OF THAT RACE  
THINKING ABOUT THAT FINISH LINE  
AND THE SMILE THAT SPLITS MY FACE  
REMEMBERING THE DAY IN FUTURE'S PAST  
WHEN I STAND FAR ABOVE ALL THE REST  
LOOKING DOWN TO SEE WHERE I USED TO BE  
POINTING MY FINGER AT THAT PERSON  
AND WONDERING IF IT'S ME  
THAT TIMID, YOUNG BOY FULL OF REGRET  
CRYING TO THE MEMORIES  
THAT STILL HAUNT HIM YET  
WHEN HE STOOD SIDE BY SIDE  
AMONG ALL THE REST  
BUT NO MATTER HOW HARD HE STRIVED  
HE NEVER MASTERED THAT TEST  
HE NEVER CROSSED THAT FINISH LINE  
AND HE ALWAYS FINISHED LAST**

*Mother screams  
and baby cries  
mother knows what to do  
so baby dies  
why did you kill your child  
your baby could have lived  
and had a better life  
than the one you're living in*

*mother lays on the floor  
in a pool of blood  
she has to clean the mess up  
before anyone comes  
out of the window  
goes the nameless face  
wrapped in a newspaper  
to hide the disgrace*

*Mother screams  
and daddy rushes in  
she says "baby can you hold me"  
"I need some comforting"  
I tried to do  
what I thought was best  
so I put our baby to sleep  
before she took her first breath  
you see I had something different  
for us in mind  
and to have a baby now,  
is just not the right time*

*Daddy screams  
as mother dies  
mother lays in a puddle  
with open eyes  
looking up at her prince  
as bold as can be  
who begins to show the tears  
of his lost family*

*mother screams as she pays for her mistakes  
daddy cries as his dreams end today  
mother screams as her baby dies this way  
daddy cries as mother screams in pain*
