**TO PRETEND TO BE
EVERYTHING YOU SEE
IS TO MAKE BELIEVE
IN FANTASIES
TO PRETEND TO KNOW
WHAT YOU REALLY WANT
IS TO GUESS AWAY
EVERYTHING YOU HAVE SOUGHT**

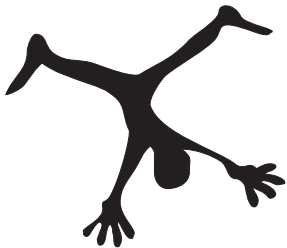

**CAN'T YOU BE CONCISE
CAN'T YOU BE REAL
CAN'T YOU UNDERSTAND
WHAT WE BOTH FEEL
CAN'T YOU WALK AWAY
OR SHOULD YOU STAY
TO SEE THE OUTCOME
BUT IT NEVER PAYS**

**YOU'RE FOOLING THE CROWD
YOU'RE PLAYING A GAME
WITH PEOPLE'S EMOTIONS
YOU MAKE THEM PAY
YOU'RE FOOLING THE MASS
SEE THE SHAME
INTENT TO HARASS
FEEL THE PAIN**

**YOU'RE JUST AN IMPERSONATOR
JUST AN IMPERSONATOR
YOU'RE TOTALLY FAKE
SO SEE YOU LATER**

*What is the meaning of life?
The only true meaning we know is:
a form or object that exists in a reality.
If there was a true meaning in life,
i think it would be survival and reproduction.
We haven't figured out our true explanation
for existence, but our job is to survive.
We know that our individual time here is
limited and we will eventually die. Therefore,
as a human or animal, we must ensure the
survival of our race, which means reproduce.
Love and marriage i guess, are just
accessories that come with the package.
Now remember your duties....
REPRODUCE..LIVE AND LET DIE.????????????*
