

**FED UP WITH YOUR WORLD AND YOUR KIND
THEY CAN'T COMPREHEND
I'M TRYING TO ACCOMPLISH SOMETHING HERE
BEFORE MY TIME COMES TO AN END**

**CAN'T COMMUNICATE ON MY WAVELENGTH
DONT UNDERSTAND MY LINGO
OR LISTEN TO MY RHYTHM
ITS NOT YOUR POINT OF VIEW I UNDERSTAND
THE ONLY REALITY THAT CONCERNS ME IS MINE**

**TIRED OF YOUR SHIT AND DONT LIKE THE SMELL
SICK OF YOUR TALK AND BORED TO HELL
NOT EVEN WORTH THE TIME TO EXPLAIN
AND DEFINITELY NOT WORTH THE PAIN**

**ILLITERATE TO WHAT I SAY OR THINK
DOESN'T MATTER GONE WITHIN A BLINK
I THOUGHT I HAD ALOT TO SAY
NEVERMIND, DIDN'T MATTER ANYWAY**

**GONE, GONE, GONE
SO FAR AWAY
NEVER COMING BACK
HERE TO STAY
GONE, GONE, GONE
CAN'T COMPREHEND
I AIN'T NEVER COMING BACK AGAIN**

Visionate to beyond all of your boundaries
surpass all of your imagination
there is another surreal horizon
and many colors to play prism

Understand your dreams are meaningless
we all live walking on that line
balancing between the realities
simply passing time

Opinionate all of your theories
conquer everything you dream
concentrate on what is real
and not what is reality

The mind, heart and soul
have no limits you see
they continue to strive
onward endlessly
